What the TAMU Career Center can do!

We had a great presentation at the last meeting by David McMahon, Associate Director of the Texas A&M Career Center. They assist students with internships and job placement after graduation. He recommends students not wait until their senior year to come by and see how they can help with resume building, interviews, and job assessments. He can be contacted at DMcMahon@careercenter.tamu.edu. Their offices are located at Koldus Hall Room 209. Career Center phone number (979) 845-5139.

Need a Ride?

A&M partnered with Zimride (my company) to create a rideshare system - an online social network that operates like a rideboard, except it is private to the campus. Signing in requires an Aggie NetID, and students can post rides to match up with other Ags going the same way. If a ride is later posted that matches theirs, they will get an email notification. There is no cost to use the site. Here is the link: www.zimride.com/tamu
